DETAILED ACTION

This office action is a response to the election of species filed on 8/11/2006.

Election/Restrictions

1. Applicant's election with traverse of Species A, claims 1-8 and 18, in the reply filed on 8/11/2006 is acknowledged. The traversal is on the ground that Species B is not sufficient for the election of species. Upon further consideration, examiner agrees with applicant that the Species B as described in the election of species mailed on 7/11/2006 was cancelled by the preliminary amendment filed on 1/29/2004. Examiner hereby withdraws the last office action mailed on 7/11/2006.

2. This application is in condition for allowance except for the following formal matters:

IN THE CLAIM

Re. Claim 1: Before the phrase "main surface" as recited in line 5, change the phrase "the" to --a--.

Before the phrase "tip portions" as recited in line 10, delete the phrase "the".

Before the phrase "interconnections" as recited in line 16, delete the phrase "the".

Re. Claim 5: Before the phrase "gaps" as recited in line 4, delete the phrase "the".

Art Unit: 3729

Re. Claim 6: Before the phrase "elastic modulus" as recited in line 2, change the phrase "the" to --an--.

After the phrase "smaller than" as recited in line 32, change the phrase "that" to --an elastic modulus--.

Re. Claim 18: Claim 18 is being a substantial duplicate of claim 8. Claim 8 and claim 18 are essentially duplicates of one another or else are so close in content that they both cover the same thing, despite a slight difference in wording. It is improper to have two claims, which contain the same limitations, in the same application as one claim would be a substantial duplicate of the other claim. Claim 18 is needed to be cancelled.

3. Claims 1-8 are allowed.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

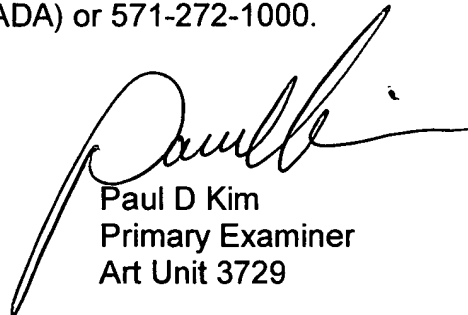

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
